Nonprofit

Organization Overview

Hathaway-Sycamores Child and Family Services is a highly respected mental health and welfare agency with 11 locations throughout Southern California. For over 112 years, we have been dedicated to nurturing hope, healing, and the opportunity to thrive for children, youth, young adults, and families facing serious life challenges. Hathaway-Sycamores' comprehensive array of programs and services – which touch more than 7,000 lives annually – include: residential treatment; foster care and adoption; transitional living assistance for emancipated foster youth; outpatient and school-based mental health services; wraparound/in-home services; psychiatric services; psychological testing; grief counseling; a nonpublic school; and afterschool tutoring/enrichment. Accredited by The Joint Commission and the Western Association of Schools and Colleges, Hathaway-Sycamores is licensed by the Community Care Licensing Division of the California Department of Social Services and is certified by the Los Angeles County Department of Mental Health.

Job Description

HATHAWAY-SYCAMORES CHILD & FAMILY SERVICES is a leader in the mental health service industry and one of the largest providers of mental health services to children and families in Southern California. We provide an array of services for families and children in need and are looking for qualified Clinicians to join our team in Highland Park.

PURPOSE OF THE POSITION:

The role of the Clinician is to provide clinical services to youth/young adults and families through assessment, planning, and implementation of mental health services based on the needs of the youth/young adult and family and the guiding principles of the agency's philosophy of strength based, family focused, needs driven and culturally competent.

Seeking Clinicians eager to learn different treatment modalities, creative, and thinks out of the box. Clinicians will provide high quality counseling for children and their families. Clinician will have the opportunity to work as a member of a multidisciplinary team to provide comprehensive services.

New Competitive Rates!

CLINICIAN I – Minimum Qualifications

- Masters' Degree in related field from an accredited or state approved program required
- Registered MFT, MSW or Psy. D/Ph. D Intern in the State of California with the Board of Behavioral Sciences
- Experience in providing mental health treatment to children and adolescents preferred

CLINICIAN II – Minimum Qualifications

- Licensed in the State of California as LCSW, LMFT, or Psy. D/Ph.D. required
- Must be registered with the State of California with the Board of Behavioral Sciences and in good standing

An ideal candidate will be one who:

- Engages well with an ethnically and culturally diverse population of children of different ages and their caregivers.
- Very well-organized, detail oriented and skilled with time/task management able to adapt to frequent changes, particularly with documentation requirements and practice models.
- Family focused, strength-based approach to treatment.

- Collaborative and able to work within a treatment team, including family members, professionals, paraprofessionals and community supports.
- Strong computer skills, particularly with Microsoft Outlook, Excel, Word and web-based Electronic Health Record Systems or similar database systems.
- Fluent in Spanish is highly desired.
- Experience completing DMH documentation is highly preferred but not required.
- Must have a flexible work schedule to meet the needs of clients and program.

Clinical Perks:

- New Competitive Rates
- Spanish Language Bilingual Differential (\$2,500)
- Clinical Sign-On Bonuses
- Travel reimbursement at IRS rate
- Individual and group supervision hours provided towards licensure
- Paid 40 hours off to study for licensing Exam
- Reimbursement for up to \$500 for prep study materials
- Evidence-Based Practice training opportunities (i.e. MAP, TF-CBT, Seeking Safety)
- Additional bonuses for Approved Evidence Based Practices (EBP) certifications
- Free on-site CEUs
- Reimbursement for licensure registration and renewal fees on an annual basis
- Cell phone stipend if required for job
- Great career growth

*The agency is licensed by the Department of Children and Family Services, certified by the Department of Mental Health and accredited through The Joint Commission
