The Activity Restrictions tab on your OASIS account will list any holds that may prohibit you from registering. Please call the number next to the restriction in order to resolve the matter.

The following restrictions are soft holds and will NOT prevent you from registering for fall 2019 classes:
- RNR40 (Lacking BA Verification)
- ADM20 (Conditional Admit; Undergraduate GPA below 3.0)
- USC00 (Campus Safety Training Module)
- USC03 (Title IX Compliance Training Module)

D-Clearance
D-clearance is department clearance to register for classes. Please review your d-clearance on Registration Day by clicking on Cleared Sections under MyInfo via Web Registration. You will automatically be granted d-clearance for your required classes and do not need to request it.

Web Registration
All students must register online via Web Registration. Web Registration can be accessed from your MyUSC account or by visiting webreg.usc.edu.

Planning Your Schedule
Classes will be filled on a first-come, first-serve basis. The USC Suzanne Dworak-Peck School of Social Work does not provide instructor preference. Please prepare at least three scheduling options prior to your registration appointment time, as sections fill quickly.

USC City Center (CITY)
In addition to the University Park Campus (UPC), classes are also offered at USC City Center (CITY). USC City Center is an extension of UPC and is located at 1150 S. Olive St., Los Angeles, CA 90015 (approximately 3 miles from UPC). We provide complimentary shuttle service to and from each location for your convenience.

Students are strongly discouraged from traveling between UPC and City Center on a single class day as travel time, parking, and any unexpected delays may result in tardiness. Please note, tardiness will adversely impact your course grade. Therefore, be mindful of your selected class location when registering for courses.

School Policies
The MSW program requires a minimum of 60 Social Work graduate (500-600) level academic units and a 3.0 cumulative GPA. A passing grade is a ‘C’ or higher.

Students must successfully pass ALL generalist coursework, including 506, 536, 544, 546, and 589A before advancing into department coursework.

All courses must be completed for a letter grade, with the exception of field education coursework, which is completed for Credit/No Credit. Courses completed for Pass/No Pass will not count toward your MSW Degree.

Dual-degree students have specialized programs of study and should not follow the traditional MSW Curriculum Snapshot. Please contact academic advisor, Shelby Fowler, for more information at shelbyfo@usc.edu.

Students must receive approval from the Social Work Registrar before adding any course after the first day of classes.

Students are not permitted to contact faculty regarding closed classes.

Sections with less than 18 students will be cancelled and students will be redistributed to other sections.
