Grant-Funded Activities

Mental Health Stipend Coordinator

Coordinate activities, develop and implement trainings, and provide mentorship for 18 second year MSW students receiving \$18,500 stipends from the LA County Department of Mental Health (LAC DMH). The focus of this \$333,000 stipend program is to recruit students who are interested in providing public mental health services in high need, underserved areas of LA County. Each year the mental health stipend students receive offers for employment at LAC DMH contracted and direct agencies upon graduation.

Public Child Welfare Stipend Faculty

Provide grant funded activities for 20 first year MSW students receiving \$37,000 stipends from the LA County Department of Children and Families (LA DCFS). These students commit to interning at a community-based agency serving families in the public child welfare system first year and to work at LA DCFS two years post-graduation. Activities include teaching, liaising, developing field placements, creating, and implementing stipend trainings.

Field Related Activities

- Develop and coordinate field placement internships for over 60 first year MSW students.
- Act as the field liaison for 30-40 MSW students including conducting field visits to assess student progress, developing Student Performance Implementation Plans (SPIP) if students are at risk of not passing field competencies, and ensuring the completion of field documentation.
