

PRIDE MONTH – JUNE 2024

“To be fully seen by somebody, then, and be loved anyhow – this is a human offering that can border on miraculous.”

– Elizabeth Gilbert, American Journalist & Author

Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ) Pride Month is currently celebrated each year in the month of June to honor the 1969 Stonewall Uprising in Manhattan. The Stonewall Uprising was a tipping point for the Gay Liberation Movement in the United States. In the United States the last Sunday in June was initially celebrated as "Gay Pride Day," but the actual day was flexible. In major cities across the nation the "day" soon grew to encompass a month-long series of events. Today, celebrations include pride parades, picnics, parties, workshops, symposia and concerts, and LGBTQ Pride Month events attract millions of participants around the world. The purpose of the commemorative month is to recognize the impact that

lesbian, gay, bisexual and transgender individuals have had on history locally, nationally, and internationally.
